School of Sciences & Mathematics Undergraduate Summer Research STUDENT Application

SSM undergraduate students are invited to apply for funding which will enable them to conduct summer research. Stipends in the amount of $4000 are available to successful applicants. Students with a College of Charleston research mentor will be given priority. Mentors must also submit a matching application.

Applications are due by 11:59 p.m. on Wednesday, February 6, 2019. Applications are timestamped and those received after midnight will not be accepted.

Name (Last, First) *

Student, Sally

College of Charleston Email Address *

student@g.cofc.edu

Alternate Email Address *

Research Statement

In the space below, please provide a detailed, one-page statement that describes the research you will be conducting and how this research fits into your career goals. You may copy/paste a Word document to ensure the length of your statement. *

Detailed, one-page statement that describes the research you will be conducting.

In the space below, please describe any prior research experience both on and off campus. *

Prior research experience.

Have you also applied for a SURF grant through the Office of Undergraduate Research and Creative Activities urca.cofc.edu? *

- YES
- NO

Student Agreement
COMMITMENT: I understand that I am expected to spend 40 hours per week for 10-12 weeks on my research as confirmed by my research mentor and that this will be the only research funding I am receiving during this time period. *

☐ Agreed

PRESENTATION: I understand that I am expected to present my research at either the URCA (August 2019) or SSM (April 2020) research poster sessions. Graduated seniors will have an opportunity to present in a departmental session before leaving campus. *

☐ Agreed

FOLLOW UP: I understand that I am expected to keep my research mentor informed about my career plans before graduation and my career progress after graduation. I will also respond in a timely manner to any surveys about my experience. *

☐ Agreed

SAFETY: I understand that I am expected to follow all safety guidelines established by my department and faculty mentor and that I will complete safety training appropriate to my research. *

☐ Agreed

GEOLOGY Students: I understand that I must have completed GEOL 105 with a grade of C+ or better.

☐ Agreed
ENROLLMENT: I understand that I must enroll in my department's zero credit research course and that this enrollment requires a small fee (~$15.)

* Agreed

Typing your name and date shall constitute an electronic signature and acceptance of the understandings presented in the section entitled "Student Agreement."

My Name: First and Last

Demographics

The College of Charleston takes pride in its commitment to providing a diverse and inclusive learning environment. Very often grant applications and reporting request information about our student body. We ask that you please volunteer the following information. Your responses shall remain confidential and will only be used for statistical purposes to assist the efforts discussed above.

Gender:

Female

I identify my ethnicity as:

Caucasian
Date of Birth:

MM  DD  YYYY

10 / 01 / 1999
